Principal's Report

Welcome to our Annual Report for 2015. St. Mary MacKillop P.S is one of two schools serving the local Catholic parish of St. Mary of the Assumption. As a Catholic school we are placed at the 'heart of the Church'.

We recognise Christ as the centre of our life; calling us to be life-giving by the way we live the Gospel in our time. We strive to empower our community to be people of hope for our world. As a Catholic school, Saint Mary MacKillop Primary School provides an environment imbued with Christian values, where Religious Education programs lead children to be knowledgeable about the Catholic faith, where academic achievement is promoted and participation in the arts, sports and the community are strongly encouraged.

Our patron, Saint Mary MacKillop was an ordinary Australian woman, living an extraordinary life. Her determination to 'see a need and do something about it' is the challenge to which we aspire in our school. And in the spirit of our patron we look to 'see the hand of God in all that happens.' A foundational principle which guides all that happens at Saint Mary MacKillop Primary School is the promotion of the wellbeing of our young people and of all members of our school community. This development of social capital motivates us as we engage with each other on all levels. We genuinely recognise and celebrate the uniqueness of each individual. We are a school setting the highest standards, always striving towards being a community of learning excellence and of personal and communal wellbeing.

Our Positive School Wide Behaviour Support Framework encourages all children and teachers to be Respectful, Responsible, Resourceful and Safe. Our school is an environment in which all children can flourish.
